B. Members of the Committee

1. Sen. Southern: Let's have a productive last meeting y'all!
2. Sen. Materum: As you can see my camera is off. My WiFi is going crazy right now and I am using my phone data. I am sorry.

C. Public Comment – The public may submit public comment to be read aloud to asunmsandr@unm.edu

1. President Amin: Hi everyone! Congratulations on making it to your final committee meeting. You have all had a great semester so thank you. I have a comment from what I discussed with President Stokes that I agree with to an extent. By sending Resolutions to a lot of people, it casts an impersonal, wide-net and therefore she doesn't feel like she needs to respond. That doesn't really apply to the rest of this semester, but for those of you moving on, this applies. You will hear this again in Full Senate. Please keep that in mind.
2. Speaker Hawkins: Congratulations on having such a great semester. You have all grown so much. I would also like to voice my support for Resolution 12S. I sit on the Interfraternity Council and this is very applicable and important to us.
3. Andrea Marquez: Congratulations on making it to the end of the semester. This is my first semester in S&R and I still have a lot to learn. Please reach out to your advisors for future leadership opportunities. Congratulations to the graduates as well.

 - a. Moved, seconded, and approved
 2. AUTHORSHIP SPEECH
 - a. Sen. Gunn: I wanted to move this forward and support the new anti-hazing laws. This affects the entire student body and should be supported across New Mexico
 - b. Speaker Hawkins: This is a project that the Interfraternity Council took on after learning that New Mexico is one of only six states that doesn't have anti-hazing laws. This did not pass in the New Mexico Senate. We are hoping that this passes in the future. This is incredibly important to the UNM Greek Life community and we have not had hazing in over ten years, but around the country, this is a massive issue.

Please feel free to reach out to me if you notice any instances of hazing. It is my job to report them.

3. QUESTIONS

- a. Sen. Ambarian: You said there were no hazing events on campus in over ten years. Is that meant to be reported cases?
- b. Sen. Gunn: It is reported cases. There is a culture around hazing that prevents people from reporting it. It escalates to the point of being extremely harmed or even killed. This will be another reinforcement to not haze and hopefully, make people more inclined to report.

4. DISCUSSION

- a. Sen. Gunn: MOTION line 44 the Bill is referred to as “HB”, but it should be “House Bill” since it is the first mention.
 1. Seconded and approved

- j. Sen. Southern: I want to express my support for this. I think it should be passed. It is an important issue.

- a. All votes in favor

Ambarian I can tell how hard you work for S&R. Sen. Southern I have connected the most with you outside of Senate. Couldn't do it without you AG Lutz and VP Milan.
- d. Sen. Ambarian: Chair, I can't wait to work with you in the future- hopefully, in person. AG Lutz, thank you for answering all my questions. Congratulations on graduating. S&R. VP Elect Regalado, congrats on winning your election. AG Lutz, thank you for being smart and knowing everything. Sen. Gunn I enjoyed working with you and getting to know you outside of senate. I loved working with all of you and don't hesitate to reach out to me in the future if you need anything.

3. Chair

- a. I never thought about this ending. I was always so focused on the legislation. I poke fun of myself for doing nothing else. Don't worry about me though, I'm not THAT lonely. It was my freshman year in a pandemic. I didn't know what to do to get involved, and this was the best decision. Thank you everyone for the late night phone calls and emails. VP Elect Regalado, I wouldn't be here without you. I can call you for five hours straight and go over the same legislation over and over again. And then you still will get lunch with me and always pay. Let me pay next time! I know I'm goofy, but as long as you're happy, that's all that matters to me. I will miss all of you. I may not be lonely, but still call me.
