- Tyler a former senator. I want to wish everyone luck with what they do next semester. I am here to brag on my friends Sally and

Noah. State of ASUNM creates transparency and it allows ASUNM to brag on what they have done. I encourage everyone to go. They have created a lot of team work and I think they should be recognized and I want to thank them for their commitments to the students.

- The geology Club: we are requesting some money through and appropriation for a trip that we are planning to take. We take our members on an educational trip and a fun bonding one. There will be opportunities for geology and environmental sciences and the students will have the experience to have hands on experience and this way students can travel and learn how to fill out notebook entries and we also write a full trip report for future references. We have lots of fundraising such as bake sales and rock sales
- I go to the sigma chi house a lot because my boyfriend is from sigma chi. There has been some incidents where I felt very uncomfortable and some people have been asking me to leave the house because I am transgender. I think there should be some sort of awareness and training to help students like me. Most of the brothers have been supportive and the ones who haven't they have been punished. We want to spread the word and spread awareness and we are not seeking any punishments.

 - Seconded
 - Roll call vote
 - Bill approved 19-0-0-1
- vi. Bill 25S
 - Motion to open
 - Seconded and passed by all
 - AG: this is changing we do hearings. Right now, you don't find out the time allowed for statements until you get there. This will still give the justices the choice of how long, but it just has them send it out beforehand when they send out other information about the hearing. It won't be less than 5 minutes
 - Questions
 - Senator Lucas why was it no less than 5 mins?
 - Because that is the least that someone used to speak
 - Discussion
 - Motion to vote
 - Seconded
 - Roll call vote
 - Bill approved 19-0-0-1
- vii. Bill 26S
 - Motion to open
 - Seconded and passed by all
 - Senator Assed this is for impeachment procedure. This goes through the process of how to appeal President, Vice president or justice.
 - Questions
 - Senator Hodge why did the committee use the specific word malfeasance in section 1
 - Because it is the most fitting with out law book

- Senator Rios why is it at an open meeting and not a special meeting?
- Because we don't want people to think we are discussing things privately and it should be open to whoever wants to be there
- Senator Kee 2/3 majority vote, how did you guys come up with that?
- For someone as serious as office impeachment, we saw it is necessary for it to be 2/3 and not the majority
- Senator Myers what happens when a person doesn't have a speaking time during full senate?
- Senator Hartshorn I will be making a motion to fix that
- Senator Montoya is there currently an impeachment process?
- No that is why we put this through
- Senator Lucas is there a reason why there isn't a period the end of section 2, A, 1.
- We would love if we put a period there.
- Senator Kee why is it a majority vote to call a special meeting?
- It is in our standing rules and calling a meeting isn't as serious as impeaching someone
- Discussion
- Senator Hartshorn motion on line 47 cross out "must be present" and replace it by "should be present to make a statement addressing the Articles of impeachment and answer questions posed by senators."
- Seconded
- Questions
- Senator Rios why did we do that?
- Must seemed very restricting.
- Senator Ben friendly amendment to capitalize Articles and Impeachments
- Senator Montoya it says should so what happens when they don't show up?
- It is a gray area but this way we can still impeach them
- Senator Ben friendly amendment to capitalize Senators

- Roll call vote on the motion
- Motion approved 19-0-0-1
- Senator Hartshorn motion to cross out line 50 to 53
- Seconded
- Questions
- Senator Ben I just want to know why?
- Senator Hartshorn this goes with the previous motion and since we changed "must" to "should" it isn't necessary
- Discussion
- Voice vote

- Motion passed
- Senator Hartshorn motion to cross out “ed” and replace it by s: on line 41
- Seconded and passed by all
- On line 50, replace the Clause with one that says “The statements can be up to ten (10) minutes in length”
- Seconded and passed by all
- On line 56, motion to create a new 2 that says, “a special meeting should be scheduled within two (2) days of the presentations of the articles of impeachment.”
- Senator Rios is days defined somewhere in the constitution
- Yes, it is by business days
- Discussion
- Senator Ben I am confused by the wording. To me, it sounds like it means two days before
- Senator Hartshorn I would love input on the wording, it doesn’t have to happen within two days, but it has to be scheduled.
- Senator Hartshorn some wording can be the scheduling of
- Senator Rios friendly amendment to add parentheses on the s on line item 57
- Senator Hartshorn accepts
- Senator Starkweather I like the idea of inserting the after. Just to keep it clear and I don’t think there is any harm in putting more words in.
- Senator Hartshorn the articles of impeachment would be presented at full senate and it seems repetitive
- Roll call vote on the motion
- Motion passed 18-0-1-1
- Senator Hartshorn motion to insert on line 57 “the subject of the Article of Impeachment must be notified within two (2) days of the presentation of the Articles on Impeachment.” Adding a sub section one (1) that says “the subject will be notified of the date of the special meeting” then add another sub section two (2) that says” the subject will be notified of the nature of the Articles of Impeachment
- Discussion
- Senator Rios I would like to see a specific way of notifications
- Senator Maestas in the law book, we have to notify senators by mailbox
- Senator Hartshorn I like the wording from the law book about demerits. It could be added that we say it is sent out by the person chairing the special meeting
- Senator Rios friendly amendment on line 60 to read “the subject will be notified of the date of the special meeting through email”
- Senator Hartshorn accepts
- Back on discussion on the motion

- Senator Myers I think it is good and we should put by email, but I don't think it is in the right place.

- Senator Hartshorn accepts

- Seconded and passed by all
- Senator Kee if we change it to special meeting, can the subject still attend the meeting to speak on their behalf?
- Yes. The section above it states that they can come and present at that meeting.
- Back to discussion
- Senator Ben It seems like we are trying to figure out more or less time to give them to have in the office after they have been voted to be impeached.

- Senator Hartshorn do we want to have a special meeting to impeach them and then vote on letting them go out of office or do we want to change it and say that it happens at full senate.
- Senator Rios on line item 70 do you accept a friendly amendment to change person to subject
- Senator Hartshorn accepts
- Senator Rios I think everything should be done in the special meeting, so the subject doesn't persuade votes, or they can use that week to harm ASUNM.
- Senator Hodge I think the wording how it is now is fine and we should approve the motion as it stands
- Senator Cordova I agree on immediate removal
- Senator Maestas motion to vote
- Seconded
- Roll call vote

- Seconded and passed by all
- Senator Montoya motion to change person to subject on line item 76
- Seconded and passed by all
- Senator Maestas I think this is good, but we should be adding ASUNM Senators to this process because it gives the students
- Senator Myers I don't think senators should be added because they have a process and students can go through student course and can be impeached
- Senator Hodge I too agree that we have an appropriate procedure to impeach senators
- Senator Rios I would like to see more discussion on who we feel about having GPSA bring in a presentation
- Senator Hodge I think since we only fund ASUNM students and we are only elected by ASUNM students, they should be the only ones that can impeach us.
