2) Preliminary Business
   a. ASUNM President’s Report
      i. Thank you Madam Chair. Thank you to all you who showed up to Red Rally and showed school spirit. Thank you for going to the game. Hopefully we can continue this school spirit. It is hispanic heritage month! On October 15th, SSE will be hosting Dia de la Raza with speakers and dancers. On October 2nd at noon there will be a chile roast in the SUB. Both of these events will be a partnership with El Centro. For our Student Wellness initiative, we will be partnering with SHAC. Fall Frenzy will be October 19th. Homecoming is coming up! Packets will be due October 14th, the candidate meeting will be the 15th, and elections will be the 23rd! Cherry Reel Film Festival is approaching! Submissions will be accepted until October 18th! Senate packets will be due October 21st! Remember that we are not allowed to talk about the elections in the office! I would love to see us double the number of candidates that we had last year. For Student Fee Review Board we will be holding forums in the SUB atrium on October 14th and 17th. We finished our hearings, and 22 departments asked for money. We have been thinking of ideas for our Capital Outlay projects. We have been coming up with ideas to revamp
the Yale bus stop: add lighting, renovate the stop, and a digital display for when the bus would be coming. We had recently hired a Vice President of enrollment management, his name is Dan Garcia. We are down in enrollment by 6.56%, we are in the hole in enrollment with the numbers. Dan Garcia provided us with a couple of graphs— they sent out a survey to parents asking why their kid was not coming to UNM. Out of the responders, 25% said that they found a better scholarship somewhere else, 7% said that their major was not offered at UNM. Dan Garcia explained how important image is when advertising to High School seniors. We changed our logo to “A World Class University Right Here in New Mexico.” We also want to change the admission packet to look more collegiate. I hope to bring Dan Garcia to Senate to see what we can do as ASUNM to bring more students in.

1. Senator Lopez: What kind of effects with a dec in enrollment have on us?
   a. Mostly budget cuts. We are taking the right steps to move forward.

2. Senator Rivera: Can you be more specific on what exactly is going to be cut?
   a. When enrollment is down, we take cuts from most departments. I don’t have exact numbers. We’ve been in this position before, so we know what to do.

3. Senator Varela: Can we get access to this survey and the answers that were given? Because the answers seem kind of biased.
   a. This is why I want to bring in Dan Garcia because a decrease in enrollment might have to do with campus safety, but we are taking the right steps to better campus safety.

b. ASUNM Vice President Opening Remarks
   i. No elections talk in the office. Please speak up to make Sarah’s job easier. Make sure you’re having good discussions tonight. Welcome ELLers!
   ii. Senator Accountability
      1. None.

c. ASUNM Executive Agencies
   i. Arts and Crafts Studio
      1. Senator Varela: Thank you. Hours are the same as usual. They’re still doing their call out for artists, it is due October 6th for the mosaic happening outside of the SUB. Another call out for a gallery due in November.
   
   ii. Community Experience
      1. Senator Aldrich: They’re excited about Fall Frenzy, and finalizing the final aspects. They’re trying to get people to sign up for the Halloween blood drive. They are working with Pink for Breast Cancer Awareness.

   iii. Elections Commission
1. Senator Chioda: Senate packets are due Monday, October 21st

iv. Emerging Lobo Leaders
1. Senator Flores: This is their third week! They’ve done legislative rotations, they will be meeting the Executive Cabinet next week. They will be attending committee and full senate meetings, so make sure to say hi!

v. Governmental Affairs
1. Senator Hotz: Thank you to everyone that went to the Democratic Debate watch party! They are continuing to meet with legislators and are nailing down their Capital Outlay plan! They are researching any possible implications of the Opportunity Scholarship.

vi. Lobo Spirit
1. Senator Romero: Red Rally was a big success! Nothing too much to report, they are focusing on homecoming that will be coming up!

vii. Student Special Events
1. Senator Lopez: They have Hispanic Heritage event coming up! On October 2nd, they will be having a dance group coming in for the chile roast.

viii. Southwest Film Center
1. Senator Rivera: Cherry Reel is coming up, student submissions are being taken up to October 18th at 5 pm. They are partnering with Albuquerque Film and Music Experience to present conversations with Tracy Reiner and Niel Giraldo this Friday at 11 am and pm. They are also having weekend showings of student films!

d. Joint Council
i. President Biederwolf: Thank you madam chair. George Rios did an incredible job as speaker. We are still filling positions with different departments. We went over finances and gave ASUNM updates.
1. Senator Torres: How many representatives were present at the last meeting?
   a. President Beiderwolf: There were 5 representatives present.

e. Boards and Committees
i. Senator Romero: Athletic Council: They are trying to do more professional development with their athletes! They are trying to do workshops to talk about life after college and career goals.

f. Public Comment
i. Javi with appropriation 9F Quetzalkuetlachtl: Our graduate and undergraduate research group is to advance the knowledge on mesoamerican cultures. We want to contribute to international exchange as students. We want to expand and focus on outreach. There was a typo in our appropriation on food and refreshments. We are asking for the full amount for food and refreshments. The amount has already been cut by
$200 because of misunderstanding. I can assure you that we are working with GPSA for funding. Thank you for all that you do and for your time.

ii. Ryan Lindquist: Good evening senators. Congrats to Senator Vigilant for a touchdown! You will all be invited to a student leader dinner with Cheo Torres. You will have the opportunity to let us know if you are coming or not. Please let us know if you are going to come! It will be a free dinner downstairs in the SUB ballroom! Thank you all very much.

iii. James Goodman, World Affairs Delegation MUN: Thank you all for doing all that you do and for having a public comment section. We are a simulation of UN and other international organizations. We build professionalism and career skills with your members. We attend 2 conferences every year. We are going to one in a month in the States, but we will go international in the spring. We also work with High Schools and are starting to work with middle schools as well. We are requesting money for travel to our conferences. Even though one is in the spring, we are requesting money now to make reservations, as it will be abroad. Thank you to the finance committee for everything that you do and for meeting with us. The following items were cut from the appropriation: travel is split up into different line items; $100 per diem was cut from per line item, but standing rules allows for only one travel day. They moved the money for copying services into the budget. We are requesting money for conference fees, travel, lodging, gas mileage, two vans to go to LA. For World MUN, those four items cover the same things as listed above. For our structural costs: we were given $50 during our budget hearing, but we went through it. We got $100 for honorarium, but we are requesting for another honorarium for the LoboMUN for high schoolers for a lecture series about peacemaking in Africa. We are requesting $400 for food and refreshments for a practice MUN, and to provide breakfast for an event. We want food for the road trip itself because it is a long drive. We have a lot of us here to see how Student Government works and to show support. We do a lot of fundraising, but we couldn’t do what we do without you, and I know that other student organizations feel the same. I hope you all agree to pass our appropriation in full, like finance committee did. Thank you all for your time.

iv. Rebecca: PAWS: We submitted an appropriation that requested funds for a tablecloth. The amount we requested was from a general request from Zia graphics. We had heard back from them and the price went from $400 down to $275. I am requesting that you decrease the funds from $400 to $275 as we got a more accurate quote.

g. ASUNM Senators
   i. none

h. Attorney General Law Book Edits
   i. AG Montoya: I do not have any updates that have been signed and approved. There are some articles in the Law Book that do not have section titles. I would like to have bills that go through that add section
titles to the sections that do not have titles. I will send out a PDF that will have the sections the do not have titles highlighted. Let me know which sections/articles that you would like to propose legislation for. I want to make it as consistent as possible.

3) Business
   a. Finance Committee
      i. Senator Romero: We had 7 appropriations go through at $15,124.
      ii. Appropriation 7F – Healing Harmonies
         1. MOTION to open appropriation 7F - Healing Harmonies
            a. MOTION is seconded and passed
               i. Senator Flores: They are requesting $300 for an electric piano. They go to retirement homes around Albuquerque and sing for them. It is important that we pass this because they do good around Albuquerque.
               ii. Questions:
               iii. Senator Regalado: Where would the piano be stored?
                  1. They have a closet on the first floor.
               iv. Discussion:
               v. Senator Hotz: It looks great, we should fund it in full.
      b. MOTION to vote on appropriation 7F
         i. MOTION is seconded and passed.
         1. With a vote of 18-0-0-2, appropriation 7F is passed.
      iii. Appropriation 8F - Peers for Advocacy, Wellness, and Safety
         1. MOTION to open appropriation 8F - Peers for Advocacy, Wellness, and Safety
            a. MOTION is seconded and passed
               i. Senator Lopez: They're a really cool organization based out of the Lobo Respect Advocacy Center. They want to have a yoga instructor. They also want temporary tattoos to highlight Domestic Violence Awareness. We approved the tablecloth at full amount until we got the full quote.
               ii. Questions:
               iii. Senator Varela: Can they add some things under advertisements that weren’t specifically outlined?
                  1. Senator Romero: They could do that, but this was just for the tablecloth.
               iv. Discussion:
               v. Senator Romero: MOTION to decrease line item 4 to read at $275 in total
1. MOTION is seconded
2. Senator Varela: I think that we should fund them in full so that they have extra money to do other types of advertising.
3. Senator Lutz: We should fund them at the quoted amount, because they only stated that they needed $275. We have other organizations that need money too.
4. Senator Reglado: They just asked for $275, we should fund them at that so we don’t run out of money at the end of the year.
5. Senator Romero: They are putting through a budget for the fall, and we can give them money there.
6. Senator Varela: This is an opportunity for us to see what they can do as an organization. By giving the $275, we are only giving them a table cloth. By giving them more, they can experiment with what else they can do. We cut money from SSE to put into these orgs. We should create opportunity and not be conservative.
7. Senator Alrdich: I would agree with decreasing the line item as they came and talked to us. They came and clarified, while it would be cool to give them the money, we could give that money to other organizations. They are a cool organization, and if they wanted more money, they could’ve asked for it.
8. MOTION to vote on the change in line item 4.
   a. MOTION is seconded and passed
      i. With a vote of 17-1-0-2, line item 4 now reads as $275
   b. MOTION to vote on appropriation 8F
      i. MOTION is seconded and passed
         1. With a vote of 17-0-1-2, appropriation 8F is passed
   iv. Appropriation 9F - Quetzalkuetlachtli
      1. MOTION to open 9F
         a. MOTION is seconded and passed
            i. Senator Chioda: They are requesting money for speakers, and for a series of events with El Centro. They want an honorarium, refreshments, copying
services, and instructional material. We cut the honorarium per standing rules. They were organized with everything and we should pass as is.

**ii. Questions:**

iii. Senator Regalado: Is El Centro going to help with the events?

   1. Senator Chioda: We did not ask abt that

iv. Senator Torres: Could we fund for two separate honorariums? Or can we only fund one?

   1. Senator Chioda: We gave them $100 per our standing rules

**v. Discussion:**

vi. Senator Chioda: We should pass this appropriation as is

b. **MOTION to vote on appropriation 9F**

   i. MOTION is seconded and passed

   1. With a vote of 17-0-1-2, appropriation 9F is passed.

v. **Appropriation 10F - Society of Physics Students**

1. **MOTION to open appropriation 10F**

   a. **MOTION is seconded and moved**

   i. Senator Rivera: This organization is asking for money to attend the Four Corners conference. They want money for travel per diem, lodging, and conference fees. The Finance Committee recommended to dropping travel per diem to two units.

   **ii. Questions:**

   iii. Senator McKim: What was the reason for the cut?

   1. Senator Rivera: They asked for per diem fro an overnight travel day.

iv. Senator Varela: What about the travel per diem was changed?

   1. Senator Rivera: The number of units for travel per diem was overnight, so we cut it

   2. Senator Romero: They are going from the 10th to the 12th, and we do $150 for overnight, and $50 for travel day. They count the first day they were there as a travel day.

v. Senator Varela: How is that not a travel day?

   1. Senator Rivera: They are not travelling, so it is not a travel day.

vi. **Discussion:**
vii. Senator Lutz: We should pass as is, even though there was a minor change with the math.
b. MOTION to vote on appropriation 10F  
   i. MOTION is seconded and passed  
      1. With a vote of 18-0-0-2, appropriation 10F is passed.

vi. Appropriation 11F - UNM Men’s Ultimate Frisbee  
   1. MOTION to open appropriation 11F  
      a. MOTION is seconded and passed  
         i. Senator Lutz: They want to attend 4 tournaments that are out-of-state. We cut their registration fees in half per standing rules. We added $100 to travel per diem due to false math.  
         ii. Questions:  
         iii. Senator Regalado: Was the cut because of bad math?  
             1. Senator Lutz: We only pay 50% of conference fees per our standing rules.
      iv. Discussion:  
      v. Senator Romero: Finance Committee did very well with cuts and adding money. We should pass as is.

b. MOTION to vote on appropriation 11F  
   i. MOTION is seconded and passed  
      1. With a vote of 18-0-0-2, appropriation 11F is passed

vii. Appropriation 12F - World Affairs Delegation  
   1. MOTION to open appropriation 12F  
      a. MOTION is seconded and passed  
         i. Senator Romero: We did a great job going over this in public comments, so thank you. They need to travel to LA and Japan for conferences. The per diem is travel to those places, along with gas mileage. Travel and airfare is very high, but they provided the quotes, We cut what we thought was right. We moved office supplies from the appropriation to budget.  
         ii. Questions:  
         iii. Discussion:  
      iv. Senator Lutz: They have $200 for food and refreshments for traveling, but they are already getting that money from per diem. I would like to hear discussion on that  
      v. Senator Rivera: I feel comfortable cutting that by half.
vi. Senator Regalado: Thank you to World Affairs Delegation for coming tonight and thank you for coming during my office hours. It is pretty solid, but I would like to hear more discussion

vii. MOTION to reduce line item 22 to read $200  
1. MOTION is seconded  
  a. Senator Varela: I want more clarification on the food conflict  
     i. Senator Lutz: They requested money for travel per diem, and food is covered in that, and they have an event for food funding that will be for the travel.  
  b. Senator Torres: How many people are going, maybe they need that money  
     i. Senator Lutz: We are double funding them no matter what.  
  c. Discussion:  
  d. Senator Regalado: I do sponsor this organization, but we need to uphold the standing rules.  
  e. MOTION to vote on the change in line item 22  
     i. MOTION is seconded and passed  
  f. With a vote of 18-0-0-2, line item 22 now reads $200.

viii. MOTION to vote on appropriation 12F  
1. MOTION is seconded  
   a. With a vote of 4-13-1-2, the MOTION to vote fails

ix. Discussion:  
   x. Senator Varela: I think that computer and printer supplies is an opportunity to help them grow.  
   xi. Senator Romero: They asked for the same thing in their budget, so we cut it. I would love to fund all student organizations, but we need to think about other student organizations. We need to cut where we can.  
   xii. Senator Varela: I think that cutting money all the time makes us all hate budgets. This money can help them.
xiii. Senator Aldrich: I agree with wanting to give all student organizations the money that they want, but I trust the Finance Committee and if they are asking for the same thing in their budget, then we don’t need to give it to them. We should be diligent in what we are funding and how much we are funding it for.

xiv. Senator Lutz: As nice as it would be to fund everything in full, but we don’t have an endless amount of money. In this case, this money is what they will need every year, so a budget is the correct place for that. Other organizations have not gotten to ask for money yet.

xv. Senator Varela: I would like to see where these suggestions come from and how we are doing financially.

b. MOTION to vote on appropriation 12F
   i. MOTION is seconded and passed
      1. With a vote of 17-0-1-2, appropriation 12F is passed.

viii. Appropriation 13F - InterVarsity Christian Fellowship
   1. MOTION to open appropriation 13F
      a. MOTION is seconded and passed
         i. Senator Ruja: They are asking for travel per diem to go on a retreat. They do fundraise quite a bit. This trip is to enrich their faith within the organization.
         ii. Questions:
         iii. Discussion:
         iv. Senator Torres: Seems straightforward, we should approve it in full.

b. MOTION to vote on appropriation 13F
   i. MOTION is seconded and passed
      1. With a vote of 17-0-0-3, appropriation 13F is passed.

b. Steering and Rules Committee
   i. Senator Hotz: We had a productive meeting, we have 3 bills go through and the Constitutional Amendment (3F). We are going to create a collaborative google excel for what Attorney General Montoya had mentioned. Legislation is due Friday at 5 pm in the form of a google doc sent to my email asunmsandr@unm.edu.
   ii. Bill 3F - Constitutional Changes to Election Procedures
      1. MOTION to open Bill 3F
a.  **MOTION** is seconded and passed
   i.  Senator Regalado: It is a Constitutional Amendment, I hope you all read it very well. This discusses what will happen in the case of senate vacancies. We decided that we will not go through O&A as it would take too much time. We are still debating ⅔ or ¾ of a seated senate and 10 or 14 days to fill the vacancy.
   
   **ii. Questions:**
   
   iii.  Senator Lutz: What do you mean when you crossed out seated?
       1.  Senator Regalado: It would be the fraction of the amount of people that are actually present.
   
   iv.  Senator Lopez: How would this get passed by the students?
       1.  Senator Hotz: They would vote when students voted for senators
   
   v.  Senator Lopez: Why 10 days and not 14 days?
       1.  Senator Regalado: The Constitution defines days as business days, which is 2 weeks and we need things to be speedy in this process.
   
   vi.  Senator Lutz: Is there anything in the rest of the text about the application process and advertising?
       1.  Senator Regalado: With this being passed, we would later add another bill in the Law Book that would specify this.
   
   **vii. Discussion:**
   
   viii.  Sen Romero: I like the changes that were made
   
   ix.  Senator Hotz: I would like more discussion on ⅔ or ¾ of seated senate because they will not be going through O&A.
   
   x.  Senator Aldrich. Abstentions will count as a nay with ⅔ and ¾. If someone were to abstain, it would essentially be counted as a nay. I personally was in favor of the ¾ for potential abstentions.
   
   xi.  Senator Lutz: I’ve never seen a ⅔ vote in Roberts Rules of Parliamentary Procedure, so ⅔ is standard.
   
   xii.  Senator Regalado: ⅔ is the way out of abstentions. The only ¾ vote that we see in government is for states voting on Constitutional Amendments.
   
   xiii.  Senator Zank: Since this is an appointment, O&A should be interviewing the appointee as that is our job. It would also add another check and balance.
Utilizing this committee might delay the process, but it could be helpful.

xiv. Senator Regalado: O&A is a good check, but it would take too long. The appointment would still be seen in front of Senate.

xv. Senator Hotz: If we were to make it ⅔, O&A committee members could still vote no if they did not think that the appointee was qualified. We want to make sure that they are qualified.

xvi. Attorney General Montoya: Adding O&A to this Amendment would make us rewrite a whole portion to the Law Book as Vice President Appointments do not have to go through O&A.

xvii. Senator Zank: I understand that changes to the law book would inspire more changes, but it is O&As job to check the candidates. It’s important to keep in mind the meaning of our committee, and having them go through a closed door interview instead of full senate.

xviii. Senator Varela: I agree with the arguments that we would all be voting on the same person no matter what.

xix. MOTION to add “Upon interview” on line 37.
   1. MOTION is seconded
      a. Questions:
         b. Senator Lopez: What does this change do that wasn’t there before?
            i. Senator Varela: The appointment would be approved after the interview
      c. Discussion:
         d. Senator Hotz: Although I agree with this motion, this can be something that would be added to the Law Book instead of the Constitution. We could get more specific in the Law Book.
         e. Senator Regalado: This definitely deserves to be clarified, but it should be in the Law Book.
         f. Senator Varela: I would like clarification on what could be changed to make this understandable.
g. Senator Aldrich: I understand the purpose of the motion, but I feel like the Constitution is the bones of what we do, and the Law Book is clarifying what we do. I don’t think that this verbiage would clarify anything, I think it would lead to confusion later.

h. Senator Hotz: I commend the idea of the motion, but the potential appointee will be approved by the VP and by the Senate, so it is assumed that an interview will take place.

i. Senator Zank: Would the only interview that is taken place be by the VP, it would take away from checks and balances. It could potentially lead to nepotism.

j. Senator Lutz: I agree that the idea behind this motion is valid. We do need an interview process, but we would have to add a lot bigger section in the Constitution or in the Law Book, it is implied in this motion that there would be an interview.

k. Senator Regalado: I think it’s important that we add this, but senators are not outlined in the Constitution. We should be interviewing them in Full Senate.

l. Senator Aldrich: I think that the discussion about the O&A aspect is really good, but the VP would not hire someone that they think is not fit to be a senator. Adding in the process of O&A is impactful, but it would prolong the process, when we can just say nay in full senate. I don’t disregard the opinions of O&A, but they should be addressed during full senate so we can all hear it. We would still be able to discuss and ask
the VP questions if it was just an interview with the VP.
m. Friendly MOTION to add “Upon interview of Full Senate” to line 36
   i. Author of the initial MOTION approves this
n. Senator Regalado: If we leave this out, there would be no check on the VP.
o. Friendly MOTION to decapitalize the C in confirmation
   i. Author of the initial MOTION agrees
p. Senator Hotz: We can continue to address this in the law book
q. Friendly MOTION to change “Upon interview by the full senate”
   i. Author of the initial MOTION agrees
r. Friendly MOTION to capitalize S in Senate
   i. Author of the initial MOTION agrees

iii. Bill 4F - Changes to Article Numbers in Legislative Code
   1. MOTION to open Bill 4F
      a. MOTION is seconded and passed
         i. Senator Regalado: This is just a grammatical correction. There were two Articles titled as 10 in the Law book.
      b. MOTION to vote on Bill 4F
         i. MOTION is seconded and passed
            1. With a vote of 18-0-0-2, Bill 4F is passed

1. MOTION to open Bill 5F
   a. MOTION is seconded and passed
      i. Senator Regalado: This bill is changing line item 23 and 26, as it is referencing article 10 when it should be referencing article 12.
   b. MOTION to vote on Bill 5F
      i. MOTION is seconded and passed
         1. With a vote of 18-0-0-2, Bill 5F is passed

c. Outreach and Appointments Committee

   ii. MOTION to block vote on all of the appointments
      1. MOTION is seconded and passed
   iii. Sara AlMidany, Assistant Director of Elections Commission
      1. Senator Zank: She is very qualified, she has served on Senate and has a lot of ideas for this position.
   iv. Monique Rivera, Assistant Director of Arts and Crafts Studio
      1. Senator Gonzalez: We are very impressed to see that this is a position that she has held previously. We feel like she is very qualified for this job.
   v. Zoe Smith, Marketing Director of Lobo Spirit
      1. Senator Zank: We were impressed by her application, she seems to have a passion for everything she would be doing in this position. She is very excited to be working with Lobo Spirit
         a. Discussion:
      b. Senator Romero: I have worked with her before, and I know that she is a strong candidate for this position
   vi. Desirary Maez, Ceramics Technician of Arts and Crafts Studio
      1. Senator Vigilant: She has 6 years of working with ceramics. We were very impressed by her application.
   vii. Emma Buck Anderson, Jewelry Technician of Arts and Crafts
      1. Senator Irving: She’s held the same position for the last 2 years. All her work experience ties into arts and crafts, so she is a great fit for this role.
         a. Discussion:
      b. Senator Varela: She’s always helped me when I went to the studio, so I can vouch for her.
   viii. Christopher Hailin, Ceramics Technician of Arts and Crafts Studio
      1. Senator Vigilant: He has also held this position before, so he knows what he’s doing and is excited to be doing this again.
         a. Discussion:
      b. Senator Varela: He is a great teacher for ceramics
   ix. LeAnna Walters, Assistant Director of Southwest Film Center
