Student Organization: UNM E-Sports  
 Purpose of Funding: \_\_\_\_\_

The UNM E-Sports club is looking to expand their club through virtual streaming. They compete in almost all of their gaming competitions virtually - and so cameras and film equipment are necessary to document them competing in an event. In addition, the E-Sports club plans on using said film and audio equipment to document local and statewide competitions that they may attend/host. Finally, fees for entrance to tournaments and the video games/software/accessories necessary to compete are included in the appropriation. The Finance Committee funded two units (2) per each camera & camera accessory
