- i. Automotive and Sports Club is a new Student Org, which means they are capped based on how many students they have. They have over ten and will be capped at 1500 dollars. Do need to keep this in mind while funding.

- v. Chair: When I recognize you for discussion you don't need to give a motion you can give an opinion.
- vi. Sen. Mitchell: We gave them an extra 100 dollars for meetings so we can take that

- out and make it 200 and we may be fine.
- vii. Chair: We are on the threshold and bringing it down would not matter. I would suggest we finalize the discussion on line item 17 whatever that may be funded at. Add whatever is left over to their 350.
 - viii. Sen. Gonzales: I would like the committee to bear in mind that if we were to fund line item 17 with 50 percent we would be over. Just kidding, I yield
 - ix. DSOR Ruiz: Meetings are not always held in the same place, their facility renting can be used as an appropriation, so it's fair for other clubs.
 - x. Chair: Ruiz you should change to senator
 - xi. VP: Decide whether or not you want to fund facility rental at 50 or 70 percent.
 - xii. Chair: Thank you VP Jaber

 - ii. Chair Rutherford: 1500 is the max we can give to them.
 - iii. Chair: I want to talk about the food for student members at hosted club events. DSOR brought the issue up.
 - iv. DSOR Ruiz: I was saying that if we are trying to promote

equitable design and set a precedent. My comment on line item 14 on detail page one, is if we want to be equitable to student organizations who could provide food for the past two years, we should consider if they really do need food if funding has never happened before. There is no food at car meets usually. For example, the African Student Association is not being funded for their cultural events that include food. With a large surplus, we can consider this.

- v. Chair: I agree with these comments, Angela I would appreciate your recommendation for this situation on this budget.
- vi. Angela: Considering more cultural clubs, they should get food, versus this club, which has yet to prove that they need food.
- vii. Sen. Holly: What are we at for surplus right now?

 - ii. Chair: DSOR Ruiz, is there proof of the club? Angela, we discussed this before, but they have happened before, but I knew they haven't provided proof, if DSOR provides proof we should take it into consideration.
 - iii. Angela: I can try to find proof as well.

- iv. Sen. Pingal: I tried looking for their club on Instagram and I found their club, but I don't know if it will suffice.
- v. Chair Rutherford: I am only seeing posts of Magic Mondays and doesn't count as proof for events.

 - i. Chair Rutherford: do they have proof of something happening in the past two years
 - ii. Sen. Pingal: They do have an event that happened last year, unfortunately, not two years ago.
- j. Moving to the Black Student Union
 - i. Chair Rutherford: I suggest that we take a moment to consider this. The Powerful Movement for Educated Sisters provides evidence that BSU is part of the Freaknic. However, it is confusing if the Halloween party actually took place.
 - ii. Angela: We have no record of two events taking place for BSU.
 - iii. Chair Rutherford: In the opinion of the chair, the Freaknic counts and should be funded, however, other items should not be funded.
 - iv. DSOR Ruiz: I agree with the chair there is a lack of evidence in terms of this point.
 - v. Sen. Gonzales: Point of clarification, we funded everything for the freaknic for BSU at the prescribed amount.
 - vi. Chair Rutherford: Yes
 - vii. Sen. Gonzales: That starts with line item 24 on detail page one

- i. Chair: PMES did provide evidence of the Halloween party and freaknic for them
 - ii. Chair: Angela, some of the Halloween party decorations are one time use purchases, should we keep them or not?
 - iii. Anglea: No make them appropriations if they are one-time.
 - iv. Sen. Gonzales

- vii. Sen. Mitchell: Can we fund both their DJs
- viii. Chair Rutherford: We can but that is going to be all of the professional services that they hire.
- ix. Sen. Mitchell: Can I have some opinions on whether or not to fund these at the full amount?
- x. General Committee: Yes we should
 1. Sen Mitchell:
 - a. Motion to change line item 21 on budget sheet 5 to read 515 dollars
 - i. Seconded and passed
 - b. Motion to change line item 22 on budget sheet 5 to read 550
 - i. Seconded and passed
- xi. Sen. Holly: Point of clarification, are we over-funding this? We allocated 515 in the BSU budget and this is for the same thing
- xii. Chair Rutherford: Because these are two separate student

- organizations, we can allot different amounts, and the standards are applied to the student organizations
- xiii. VP Jaber: If there are two student organizations there are more students
 - xiv. Sen. Holly: But for the price of the DJ I don't think they need any more
 - xv. Chair Rutherford: For the quote they sent me, I do hear what you are saying, in regards to that we can't fund the Halloween party in the BSU budget because there is no proof. Depending on the quoted amount on theirs, I do hear that we should not be allocating extra money, can someone pull up the quote for that DJ? Their quote says 735. I suggest that we cover the cost of BSU, specifically the Freaknic event, but not the Halloween event.
 - xvi. Chair: The final number for PMES is 2772 dollars
 - l. Move back to BSU
 - i. Sen. Mitchell: Suggestion they are for the same event and we can split it in half. One organization can fund the freaknic, and one can fund the Halloween party. For example, give 70% to BSU for the Freaknic and 70% for PMES.
 - ii. Chair: To maximize, basically, we should fund the max for that student organization since they provided proof.
 - iii. Sen. Gonzales:
 - 1. Motion to change line item 15 of the BSU budget on detail page three to read 220 dollars
 - a. Seconded and passed
 - iv. Chair: For clarification, the total cost of their DJ is covered. The current recommended amount is 1299.

 - 2. Motion to change line item 12 to read 35 dollars

- a. Seconded and passed
 3. Motion to change line item 13 to read 75 dollars
 - a. Failed still reads 50
 4. Sen. Pingal: Point of clarification, wondering since if we refer to section 6, Roman numeral 1 it says that event fees per diem may not exceed a cumulative sum of 7500. I was wondering if we could consider giving them the amount of 128 dollars.
 5. Chair Rutherford: I think event fees incorporate food, DJ's and anything that can go in an event. I suggest because there are no quotes on what the event looks like we should not fund this.
- p. Move to AWS
- i. Sen. Pingal
 1. Should we give max funding of 800 dollars
